IMPORTANT INFORMATION ABOUT ON-LINE REGISTRATION

PLEASE READ BEFORE PROCEEDING

Welcome to the Cambridge College Web Based Registration **Spring 2016 Course Schedule**. Through the web module, students may view the spring course schedule on-line, register for courses and view their academic records, including grade reports. Before you begin the process of registering online, please familiarize yourself with the following information:

- Organization of Course Schedule: The attached schedule is organized by degree program in alphabetical order: Baccalaureate degree programs, Doctoral Program (EDD), Certificate of Advanced Graduate Studies (CAGS), Master of Education in Counseling Psychology, Master of Education (M.Ed.) and Master of Management (MM). Within each degree program, the courses are listed alphabetically by course prefix. Prefixes indicate the content of the course, i.e., ART is the prefix for ART courses. Please check with your program of study and/or your advisor to make sure you are registering for the correct courses.

- The codes for the sections and days of the week are as follows:

Sections:

BE: Blended Learning Lawrence
BM: Boston Medical
BS: Blended Learning Springfield
CA: CC-Cambridge, MA

CF: CC-Southern California
CH: Cambridge Hybrid
DD: Doctoral program
DL: Distance Learning

LA: CC-Lawrence
ON: Online
PH: Puerto Rico Hybrid
SH: Springfield Hybrid

Weekdays:

U= Sunday
M= Monday
T=Tuesday
W= Wednesday

F= Friday
S= Saturday

TB= TBA

- Locations and Times: Please check the web on a regular basis for additional course information, location and room assignments.

- ILP (Independent Learning Project) and Seminars: All students registering for their final Professional Seminar are required to register for their Independent Learning Project. All of the ILP sections are not included on the attached course schedule, but will appear on the web site. To register for the ILP, use the same section number as your Professional Seminar. For example, if you were registering for Professional Seminar EED692 **CA02**, your Independent Learning Project would be EED800 **CA02**.

IMPORTANT REGISTRATION POLICIES

Registration Period

All continuing students may begin on-line registration **November 2, 2015**. Online registration will be closed immediately after the add/drop period and students may not retroactively register for courses.

Add/Drop

The spring semester add/drop deadline is **January 26, 2016**. Students who do not attend a class and do not officially drop within the add/drop period are responsible for full tuition. Please see the academic catalog and/or student handbook for policies on tuition credit for dropped courses. If notification of a drop is received after the add/drop period, the academic record will reflect "WD" and financial liability is in effect as described in the Academic Catalog and/or Student Handbook.

Academic Load

Full time undergraduate students may register for a maximum of 15 credits. Full time graduate students may register for a maximum of 12 graduate credits. The school's deans must approve all exceptions to this policy.

Auditing

Students wishing to audit a course must contact the Registrar's Office to verify that the course is available for auditing. Please note that audited courses are not counted toward degree completion, cannot be converted to credit at a later date, and are not eligible for financial aid. Practicum and Internship courses may not be audited.

Class Lists

Students must officially register for a course in order to appear on the official class list. Only students whose names appear on the official course list may receive credit for the course. An officially registered student is one who has successfully completed the registration process.
