Admission

Equal Opportunity

We welcome a diverse student body and academic community regardless of race, color, religion, sex, sexual orientation, gender identity, age, disability, marital status, citizenship, national origin, genetics, or any other characteristic protected by law. All candidate decisions related to admissions, retention, and graduation are made without unlawful discrimination.

See *Non-Discrimination and Harassment* on page 52. View the full policy in *Appendix D: Non-Discrimination and Harassment Policy* on page 475 or at www.cambridgecollege.edu/non-discrimination-and-harassment.

Application for Admission

Apply online at www.cambridgecollege.edu/applynow or request a printed booklet from your admissions counselor. Please mail all admissions materials to your admissions counselor at the Cambridge College location that you plan to attend. See the *Directory* on page 390 at the end of this catalog for addresses.

Your admission file must be COMPLETE and you must be ACCEPTED before:

- Financial aid may be awarded.
- Transfer credit may be evaluated.
- You may register for courses.

Rolling Admissions

Cambridge College practices a rolling admissions policy. Applicant materials are processed and reviewed as they are received. Students are then notified of their admission on a continual basis, as their file becomes complete and reviewed. Please allow 1-2 weeks for processing.

Please note:

Cambridge College reserves the right to deny a student admission. Submission of all required materials does not guarantee admission.

Students may only be actively enrolled in one degree or certificate at a time, though some exceptions may apply.

Admission Materials

Cambridge College requires all admission materials to be submitted and reviewed in order for a student to be accepted and register.

Admission documents must be submitted in English. However, applicants to the Puerto Rico Regional Center may submit the current résumé, personal statement and professional references in Spanish.

All materials become the property of Cambridge College and cannot be returned to the student. Access to these materials is limited under the Family Educational Rights and Privacy Act of 1974 (FERPA). Submitted reference letters that have been designated confidential will not be available to the student.

Keep copies of your completed application and other items you submit. Application materials may not be returned, duplicated for personal use, or forwarded.

All completed application materials are kept on file for one year after submission and can be reactivated during this period if a student chose not to enroll at the time of submission. The application process must be completed in order to be reviewed for acceptance. Applicants can choose to defer their application file for up to three terms (no longer than one year). After one year, documents are purged. Interested applicants will need to reapply.

Students accepted into a degree or certificate program will find academic advising resources listed on their academic record that they can access through the *MyCC web portal*.

Assistance With Admissions Process and Beyond

Admissions Counselors support all applicants with admissions and enrollment policies and procedures, serving as the primary support for applicants throughout the admissions process. Upon enrolling at the College, Academic Advisors, Success Coaches, and Financial Advisors offer additional support with course selection, financial aid, and students' accounts. Together, these vital student support staff members collaborate with offices such as Student Affairs, Student Success, Alumni Affairs, and Strategic Partnerships to engage students and put them in the best position to succeed at Cambridge College.

English Language Proficiency

The student must have the ability to read and write in English at the level of a graduate of an American high school as demonstrated by the possession of a high school diploma, GED or passage of the California high school proficiency exam (as applicable for California students) or a higher education degree.
